No.0386 | 2020.10.26 | Global Edition

In 1992, Venerable Huili embarked on a journey to Africa. He established the first "Amitofo Care Center" (ACC) in Malawi during 2004, dedicated to caring for African vulnerable children and where more than 85% of world's HIV-positive children live. Today, many years later, the founder continues with his compassionate practice of Buddhism in Africa traveling to all corners of Africa, and helping countless precious young lives. Nowadays, he is known as the "African monk" or "Monk dad" in the eyes of thousands of children.

ACCI Board of Director and CEO of African Executive Committee Appointed as President of Global Federation of Chinese Business Women

On October 21, Ms. Sherry Chen, the first South African Chinese congress-woman, board member of the Amitofo Care Center International (ACCI) and the CEO of the African Executive Committee had no hesitation in assuming the highly respected position as the 11th President of the Global Federation of Chinese Business Women!

The formal handover ceremony was held at the Taipei Marriott Hotel and was supervised by the Chairman of the Overseas Chinese Affairs Commissioner, Tong Zhenyuan.

Sherry has never fallen behind in public welfare all-year round. From the initial recognition of Master Huili's compassionate wish to build Amitofo Care Centre (ACC), she went all the way with ACC. Her partner is also the Secretary-General of the Africa Executive Committee of ACCI, Mr. Vincent Lin. Vincent personally supports and is at the frontline for everything needed by the African Amitofo Care Center. Sherry's future plan is to go deeper in the field of NGOs. Under her charismatic leadership all ACC partners will continue to work hard for the future of mankind and do their part.

Zero Distance Love - Wheelchair Donation

Rundu Hospital located 800 kilometers away, regularly distributes wheelchairs and mobility aids every year, hoping to provide services for the physically and mentally disabled within a distance. A few days ago, a group of wheelchairs, walking aids, and potty aids were collected from the hospital. In a short time, General Affairs Okura organized the donations. The Health Department of Rundu provided transportation and drove to ACC overnight, and immediately returned to the north with the much-needed supplies looking forward to get the materials to hospital asap and distribute it to the people in need. They also expressed their gratitude to the efficiency and enthusiasm of Amitofo Care Centre of Namibia.
